

Northeast Tarrant Lions Club Disc Golf Tournament November 3, 2018

Sponsorship and Support Opportunities

Disc golf is one of the fastest growing sports in the world. Player ages span all marketing groups and there are thousands of registered disc golf players in the DFW area! (Not counting the casual players.) We are creating a one-day-only course at the Bedford Boys Ranch, which will attract players from all over the Metroplex. What a great opportunity to get your name and logo in front of the players and on the Northeast Tarrant Lions (NET) website for up to six months— an opportunity you will not want to miss! Sponsor levels of \$300 and above may provide their own table/tent at one hole. \$100 hole sponsors may have their representative and chair at their hole.
